Tends un bras
quand tu tournes !

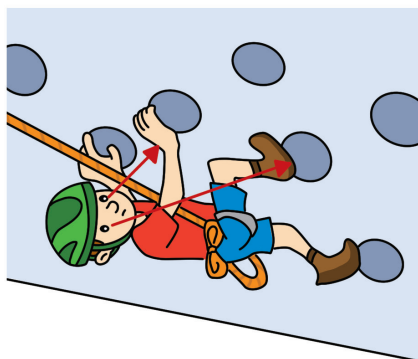

Ne fais pas tomber
la crêpe !

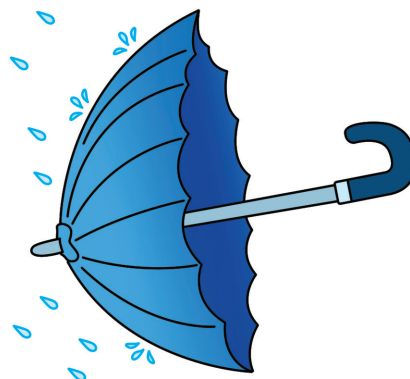

N'oublie pas
ton cartable !

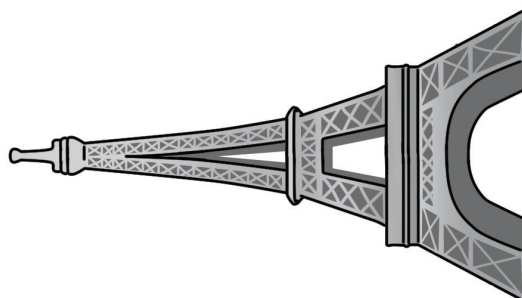

Concentre-toi et
regarde où tu mets
les pieds !

Prends un
parapluie !

Visite Paris
et la Tour Eiffel !

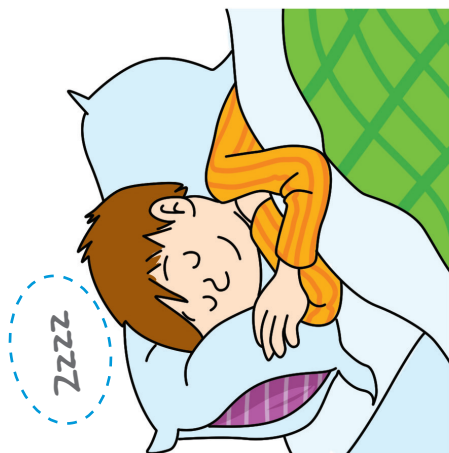

Mets un casque
et des protections
pour tes genoux
et tes bras !

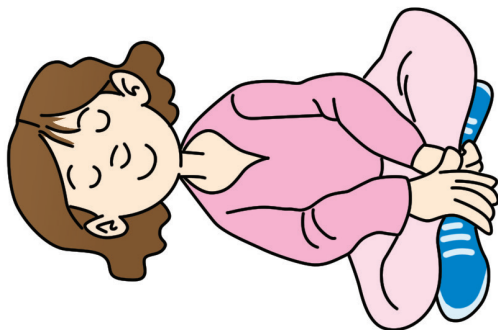

Fais attention
aux voitures !

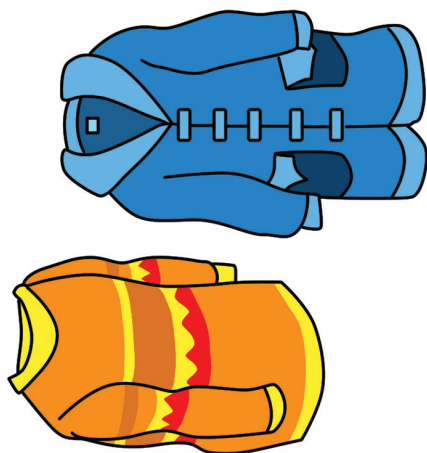

Fais une sieste !

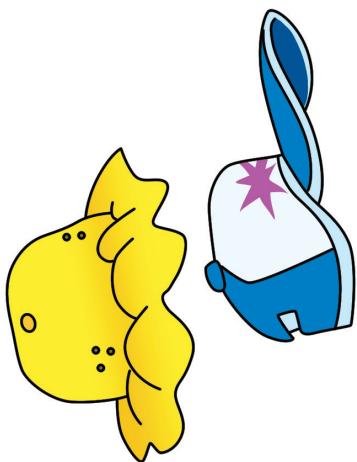

Respire
et calme-toi !

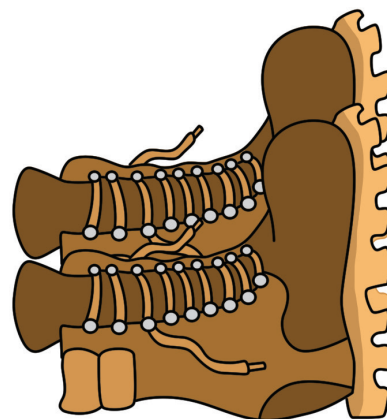

Mets un pull
ou un manteau !

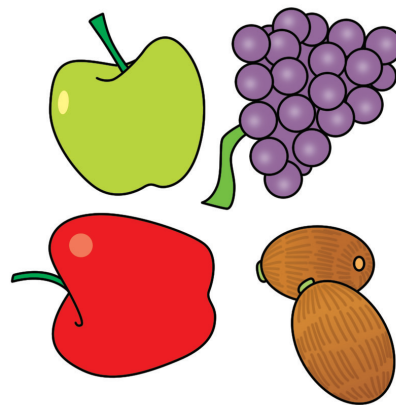

Prends ton chapeau
ou ta casquette !

Prends tes
chaussures de
montagne !

Achète des
pommes, des kiwis
et des raisins !

N'oublie pas ton
anorak, ton bonnet
et tes gants !

Ne lâche pas
le guidon des
deux mains !
